

Working hand-in-hand with all existing FCCPS musical endeavors, the newly-formed **CHORAL BOOSTERS** seek your support in strengthening choral music at all levels of our school system.

- Does your child:
- Sing in one of our outstanding *school choirs*?
 - Take part in our spectacular *musicals*?
 - Participate in *talent shows*?
 - Love *singing in the shower*?
 - Dream of singing in an *a capella group*?
 - Long to develop a natural singing talent through *affordable voice lessons* right in our schools?

If so, you can support this joy of singing by becoming a CHORAL BOOSTER!

Your support will strengthen existing programs, provide lesson scholarships, allow greater community outreach, and supplement entry fees for assessments and honors choruses.

Most important, it will encourage your child’s lifelong love of choral singing which has been scientifically proven to boost self-esteem & endorphin levels, increase academic success, provide stress release, improve social and team skills, develop resiliency and empathy, and make lasting connections. What better way to help elevate your child’s quality of life?!

Please detach and complete the form below; make checks payable to FCCPS Choral Boosters.

Mail form & payment to:
